- Participated Summer Industrial Training In Basic Telecom Technology.

## Academic Project

**TITLE : LEDBAT: the new BitTorrent congestion control protocol**

**Description:** LEDBAT is designed to allow to keep the latency across the congested bottleneck low even as it is saturated. This allows applications that send large amounts of data, particularly upstream on home connections, such as peer-to-peer application, to operate without destroying the user experience in interactive applications.

## Personal Profile

**Name** : Gireesh T

**Gender** : Male

**Date of Birth** : 16-07-1990

**Marital Status** : Single

**Languages Known** : English,Malayalam

## Declaration

I hereby declare that the details furnished above, is true to the best of my knowledge and belief.
