---

### **Carrier Objective**

Am looking for a interesting front end developing in IT industry with the opportunity to work with the latest technologies on challenging and diverse projects.

### **Work Experience**

**6 Months** ( 2014 – 2015 )

Trained and worked as **Web Developer** in Blaze web services. Madurai

**1 Year 3 Months** ( 2015 – 2016 )

As **Front-end Developer** in Rayaz Technologies. Madurai [www.rayaztech.com/](http://www.rayaztech.com/)

### **Worked on projects**

**Network Energy Solutions** ( <http://networkenergysolutions.com> )

NES is a simple web designing and consulting company site. In this i started throw my designs according to the psd layout. It was designed as responsive layout with the use bootstrap and also am used some plugins for the particular effects.

**Rs Infosolutions** ( <http://rsinfosolution.in> )

RS is a publication and tutorial institute site. In this project am re-designed the entire site to bootstrap responsive layouts because it was all ready designed in html without responsive. In this am used changeable headers on page scrolling via script.

**Lobis Estate Advisors** ( <http://www.lobis.in> )

Lobis is a real estate site like selling, property viewing, property buying site. In this project i did some of the huge pages. Login views / Property list-grid-map views.

**ThatProof** ( <http://thatproof.com/> )

Thatproof is a online proofing site. In this user can create proof(Logo, Psd file.. etc) and also customer can view and give comments to edit that images and can pay for it. In this project am minimized my coding and designed well.

**SpiderWerkz** ( <https://www.spiderwerkz.com/> )

SpiderWerkz is same like as freelancer site, it holds all the features same as freelancer. we used parallax designs in this site. These project also designed a team of peoples, am worked major of a part in these site also takes the incharge for this site.

**Sunjay Infosystems ( <http://sunjay.com/> )**

Sunjay is a Technology and Engineering solutions site. These was designed as team play am designed some of the pages in these site as part of work.

**Hyderabad Polo and Riding Club ( <http://www.hprc.in/> )**

It is a Polo and Horse riding club site, these side have all the features like user login / booking a ride / shopping all it holds. Am was designed by a team of front-end developers, am worked some of the pages on this.

**Consult Emerging Markets ( <https://www.consultemergingmarkets.com/> )**

consulting marketplace that helps global businesses find a suitable consulting service provider for their existing or planned business operations in emerging markets. It was designed as much as pixel perfect.
